

Delisana brand was created as the answer to consumer needs. It is a combination of two words (important to confectionery industry) "deli" from English "delicious" and "sana" (Spanish) which means healthy.

Delisana mission is to follow the trend of "health and pleasure / happines" through offering excelent quality cookies baked with love and passion and having in mind healthly aspects. These all combined together give a tasty enjoyment to all cookies lovers, for every ocassion.

Choose the best Delisana cookie for yourself.
